### 10-Hour Race Follow-up

On Sunday, February 7th, 2009 the Casper Dirt Riders track was buzzing with the sounds of motorcycles, ATV's and side-by-sides! Frank Hardman, of Cycle Zone in Casper and Douglas, organized and held a 10-hour Enduro race at the facility. This race brought in several riders from neighboring towns. 26 teams ranging from 1 to 3 members signed up for this adventure with a total of approximately 55 riders. The riding track encompassed nearly 5 miles. Based on the number of laps completed, more than 12,000 miles were ridden during the 10 hours!!! Congratulations to Frank for doing such a great job organizing this event and congratulations to the riders for your diligence and participation! A great time was had by all! Hosting an annual race such as this one was discussed at the February monthly meeting and approved.

**YOUR CLUB** is seeking nominees and dedicated volunteers to serve as officers for the two-year positions of Vice President and Secretary. Prospective Board members should have an appreciation of motocross and be willing to work with other like-minded peers, helping Casper Dirt Riders realize its potential and progress. Interested parties are being asked to submit their nominations at the March 2009 meeting or on the web site forum page [www.casperdirtidersmx.com](http://www.casperdirtidersmx.com). We look

forward to making 2009 the best riding year ever!!!

### Donations:

Loren, representing "Wanna Rock", made a \$200.00 donation to the Club. Right on! Thank you, Loren ☺

### Memberships:

Memberships are being sold at Casper Mountain Motorsports and at Cycle Zone. In addition, memberships are also available at the monthly meetings.

Please remember, members who give non-members keys or admit them to ride are not abiding by their signed contract with the Casper Dirt Riders and may be suspended from track use. Specific language on the application includes: "Failure to abide by the rules set forth will result in loss of membership and expulsion from the CDR premises." Rules governing this conduct are expressly stated in line 2, 4, and 5. **Be part of the solution**; insist that the people you ride with have a current membership on file.

### Transponders

Beginning on April 26, 2009, Trackside Transponders will be used at HPMA events by all classes EXCEPT those who race on the Pee Wee track.

Transponders will be available for racers to purchase starting March 16, 2009 on their web site [www.mxtransponder.com](http://www.mxtransponder.com) Racers will also be able to purchase a transponder at the event on April 26.
