CDR Bylaws

A topic covered in the April CDR meeting was the need for changes to be made in the club bylaws. Updates must be made to more accurately represent the current condition of the club, correspond with the status of existing needs, and to enhance growth potential for future members. Please go to your club website, casperdirtridersmx.com, and view the proposed bylaws. During the May meeting we will be seeking feedback, voting on changes and, hopefully, finalize the bylaws for submission to the State of Wyoming.

Michael Brown Scholarship

A scholarship recipient for the Michael Brown Nursing Scholarship has been selected for the coming school year. This hardworking individual will be notified sometime during the month of May. A portion of this scholarship was provided by the Casper Dirt Riders funded by the Memorial Race held last September 21st. Mike is now and will always be greatly missed by the Casper Dirt Riders Community as well as those who knew and loved him. Please remember him and his family by participating in the Michael Brown Memorial Race in September 2009. Race details will be posted at a later date.

RATS Race

On Sunday, May 3rd, the Prickly Pear Track was the site of the First Annual Race Against Teen Suicide. This event included a Parade Ride from KWHS to the track and a 3 hour open race to raise funds for the Wyoming Medical Foundation Suicide Awareness and Education Fund. This race was open to all riders and all off-road recreational vehicles!

On behalf of the Wyoming Medical Center as well as individuals and families affected by teen suicide, I would like to take this opportunity to officially commend Shawn Hardman for presenting the idea for this race. For their dedication and hard work, special appreciation goes out to Frank Davis, Greg Griswold, and Kryss Lineweber who organized the event and made it a success! Sponsors included Casper Dirt Riders, Casper Mountain Motorsports, Cycle Zone, Deluxe Harley-Davidson of Casper, Karst Motorsports, Rendezvous RV, and Deb's Place.

100% of the proceeds from this event, totaling \$4,146.84, were donated to the Teen Suicide Prevention fund at the Wyoming Medical Center Foundation.

Brief event coverage can be seen on the Casper Journal website (casperjournal.com).

Attention Riders – New

Race Scheduled:

Valentine Speedway in Glenrock has scheduled 6 races for the 2009 season. For additional information please call Frank Hardman at 267-6368 or Cycle Zone at 234-9428. Details may also be requested via e-mail at fhar1957@aol.com.

Mark your Calendars

Casper Dirt Riders has two 2-day races scheduled over the summer.

Tri-State – June 27th & June 28th
HPMA - July 25th & 26th

There will be at least one more race but it hasn't been scheduled yet. Details will be announced at a later date.

Donations

We are always seeking donations and sponsors for the club. Unfortunately, improvements can't be made without funding. Please be a part of the search team to help make your riding facility the best it can be. Cash is not the only option for a donation! The CDR facility can use bleachers, picnic tables, covered parking shelters (like a car port), storage buildings, and other useful items in good repair. While races are not actively taking place, now is a perfect time to create signs, remove debris from the area and around the trailer, and general maintenance.☺

Monthly Meeting:

The next Casper Dirt Riders Meeting will be held on Thursday, May 14th, at 7pm. This meeting will take place at the Prickly Pear Track in the Club house. As always we request your attendance. Remember – this is your club and your presence and participation speaks volumes ☺

Trackside

Trackside is now up and running on the HPMA web site so you may now check your scores and they should be up to date. Always remember to bring your transponder and don't forget to take it with you if you change bikes during a race!!!

Quick Note Regarding Riverton

A very reliable source said that Riverton will be charging a camping fee in addition to gate admission. The amount is unverified at this time. Please be prepared. |

Have fun and stay safe!!!
